

The FAA Safety Team presents:

## **Safety Culture: How We Lead at HAI HELI-EXPO 2015**

The development of a robust safety culture is advantageous to the success of any organization but is critical to the success of an air-medical organization. This presentation breaks down the core components of a successful safety culture in a way that everyone can understand and capitalize on, focusing on the role that leadership, safety management systems, and just culture, among others, plays in the development and maintenance of a safety culture. Real-life scenarios will be used to illustrate these concepts.

This session is offered at the HAI Rotor Safety Challenge at HELI-EXPO 2015. Rotor Safety Challenge sessions are FREE to all HELI-EXPO 2015 attendees and exhibitors.

Attend at least six Rotor Safety Challenge sessions and receive a certificate of recognition.

Take the Safety Challenge in three simple steps:

1. Select safety sessions to attend from the HAI Rotor Safety Challenge Schedule - <http://www.rotor.com/takethechallenge>.
2. At the conclusion of each session, receive a
